THE *Emmaus* JOURNEY

THIS RETREAT IS FOR YOU IF YOU ARE ...

- ... back in Canada from overseas, longing for people to ask you about your time away and to be really interested in your story – all of it – your joys, your successes, your disappointments, your struggles
- ... feeling that you have so much more to process even after your debriefing with your member care worker
- ... disappointed that you've never had the opportunity to debrief
- ... wondering if life in your passport country will ever feel normal
- ... confused by conflicting emotions of grief and joy, anger and relief, guilt and thankfulness, a sense of achievement and a sense of failure
- ... serving in the home office wishing for an opportunity to talk about your experiences of working 'behind the scenes'
- ... changing role within the organization or transitioning out for retirement or a different careers
- ... simply wanting to connect with other like-minded people and to spend some time reflecting on your experiences

WHAT TO EXPECT

At this debriefing retreat you will meet others who understand the unique stressors and joys of the missionary life. You will have the opportunity to reflect on your experiences, to consider the impact of events and relationships, to grieve the losses and disappointments, to celebrate the successes, and to explore the challenges of transition. This will be done in the context of personal reflection in prayer and meditation, small group activities, and private conversations with a trained debriefer.

You will leave with new perspectives and understanding that will give you hope and renewed vision.

RETREAT FACILITATORS

Retreat leaders are Hazel Mayhew, Beracah Counselling, and previously a member of Wycliffe Bible Translators for 20 years, Oi-Wah Whitbourne, Crossroad Counselling, missionary and member care worker with Action International Ministries, and others.
